

## RSHE - Staff Survey

There are several methods to facilitate the staff survey. It can be completed as paper copy, presented as an online survey using Google Forms, Slido etc. or the questions can be displayed on flipchart paper around the staff room for responses to be added (this method often ensures a good response, and stimulates lots of staff discussion). The staff survey can be named or anonymous. Please use this example survey and adapt to meet the bespoke areas of enquiry needed by your school.

1. Teacher					
A	I have taught RSHE before	Yes – frequently	Yes – infrequently	Not sure	No
B	I enjoy teaching RSHE	Yes – always	Yes – depends on the topic	Sometimes	Never
	I feel confident to teach RSHE	Yes - always	Yes – depends on the topic	Sometimes	Never
