	<p>Check Free School Meals are correct Check free school meal eligibility information is fully recorded. For the 2024 Summer school census, the following FSM eligibility information is collected: <i>Any FSM eligibility which started on, or before, 16 May 2024 where the FSM end date is either not present or between 19 January 2024 and 16 May 2024 (inclusive)</i> Please remember, any student who is eligible for FSM will remain eligible until the government completes the rollout of Universal Credit and from then until the point transitional protections expire. Therefore, you should not record any FSM end dates unless advised to do so by the local authority or the Department for Education. FSM for children in households with no recourse to public funds (NRPF) - Previously the guidance was to not record these children on the census as FSM eligible but to keep a separate list. 	<p>School Lunches on Census Day Ensure you have, or can be provided with, a list of all individual students in Reception, Year 1 and Year 2 who will be eating a school lunch on census day. If a pupil is absent on census day, see which scenarios which qualify as an where you may need to record this information in a different way so it doesn't affect your funding. Please note that covid related absences are no longer classed as unusual circumstances.
