

2024/25 Data Support Package

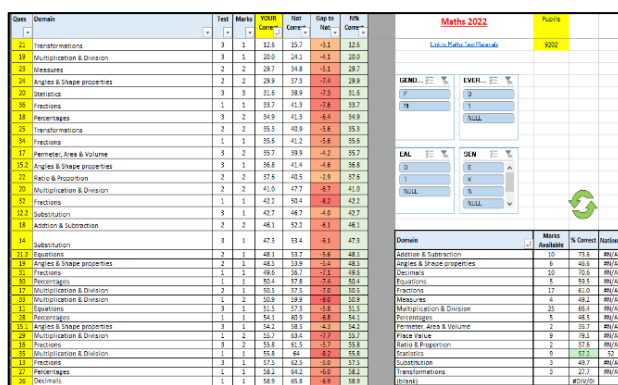

Primary Phase

Early access to your performance data before the summer break, to help identify priorities for your school, followed by ongoing support throughout the autumn and spring term.

The package provides strategic support through unique interactive dashboards, a series of expert training sessions, plus ongoing access to an experienced adviser, ensuring you are fully supported with your school data analysis needs.

What is included?

4 Interactive Dashboards

EYFSP, Phonics, MTC and KS2 Data Dashboard

- Produced at the end of July with your Early Results.
- Re-produced at the end of September with your Provisional data.
- Re-produced again at the end of January with your Revised data.

KS2 QLA Dashboard

Produced at the end of September with Question level analysis for your KS2 Reading, Mathematics and GPS Tests.

4 Training Sessions

- The **Early results session** gives you access to Early National and Norfolk results, as well as your own school through your Data dashboard. Allowing you to get ahead with your School Self Evaluation and Improvement Plan, ready to hit the ground running in September.
- The **Provisional results and KS2 QLA session** will share the provisional National and Norfolk results, as well as an in-depth analysis of the KS2 assessments. Creating a unique opportunity to bring along your English and Maths Leads, to use this analysis along with your own QLA dashboard to adapt your school improvement actions, inform your curriculum plans and focus subject interventions.
- The **IDSR session** provides guidance on the breadth of school data available in this report and how it is used within an Ofsted inspection.
- The **ASP session** gives direction on how to use this useful interactive tool to review your overall performance data, to strengthen your school improvement journey.

Online Repository

- Month by month updates on assessment guidance, data publications and census deadlines
- Access to resources and links shared in the training sessions.

When are the training sessions?

- Early Results Session: 2.5 hour Face-to-Face: 15th - 19th July 2024
- Provisional results and KS2 QLA Session: 2.5 Face-to-Face: 23rd September – 11th October 2024
- IDSR Session: 90 mins Online: 5th - 22nd November 2024
- ASP Session: 90 mins Online: 13th - 31st January 2025

Central Sessions are held at locations based on the geographical spread of those who purchase the package. Senior leaders will be informed in advance of exact dates and locations for all sessions.

(Dates for sessions are subject to the change, due to changes in release of performance data by the Department of Education.)

What is the cost?

Cost is based on a fixed charge, NOR, number of extra dashboards required, number of extra senior leader places required, and number of extra English and Maths lead places required.

Bespoke quotes are provided for each School/Academy/Federation depending on requirements.

(The Fixed charge includes one dashboard, one senior leader place at each training sessions, plus one English and one Maths lead place at the KS2 QLA session.)

How do I book?

If you are interested in purchasing this package, please complete the [Enquiry Form](#) with your requirements, to receive your bespoke quote.

If you have any further questions or would like to discuss any aspect of the package, please contact rose.keating@norfolk.gov.uk
