

SRB & SHIPs Admission Panel Dates for Academic Year 2024/25

Due to the growth in the SRB programme, we are introducing a triage step to the referral process. Referrals can be submitted at any time. Once a referral for SEMH, Autism and LCN is triaged, then a decision is made as to whether the referral will go to the relevant panel. **This applies to all specialisms apart from SLCN.**

Sessional Bases (LCN & SEMH)

SHIPs

In the current admissions process referrals are not being accepted for SHIPs.

- Children on current admissions lists are being considered in the first instance along with children identified through the Early Years Advisory team.
- A range of professionals have inputted into the information used to identify children who may be suitable for a SHIP placement and who live in the locality of the SHIP.
- If a child attending your setting or school has been identified for an observation, you will be contacted by an Early Years Advisor or a Lead Teacher who will explain the process to be followed.

SLCN Bases

The submission deadline applies to the SLCN bases **only** and is the final date by which a school can submit a referral for a place at an SLCN Base.
